KICK OFF

Safety Solvent

KICK OFF is a high powered, non-flammable, non-conductive solvent that dissolves grease and rinses away dirt and grime from hard surfaces without injury to working parts. Contains an acceptable replacement for 1,1,1 trichloroethane under the EPA SNAP program. Contains no CFC's. Featuring a 30,000 volt dielectric strength combined with non-flammability makes this an exceptional degreaser safe for use on electric motors, generators, relays and control panels while equipment is in operation. Dries fast and residue free. No flash point. Cleaning is quick and simple with the powerful flushing action of the solvent without the danger of injury to working parts.

❖ **518000001-20AR Kick Off**
12-20 oz. cans/cs, 19 oz. net wt.
